### GOOD MORNING JUDGE By RUDOLPH PERKINS.

Pete's Light Went Out. Officers Meet in Capital to

Discuss Enforcement

of Law.

Plans for the enforcement of the law enacted at the last session of Congress restricting the manufacture and distribution of explosives during guard.

Pete's Light West Out.

Every time Pete Carter and Mike Green (not Irish) see each other they make believe they are prize fighting.

Just a friendly sparring match.

They have been doing this for a long time. The other day they were standing on the corner, passing imaginary uppercuts and solar plexuses.

Right here Pete got a slap in the eye and it closed up tight. He was watching the skirt and forgot his guard.

Mike saw it all and got in a good one on Pete, too. This made Pete very sore. The girl smiled at Mike when she saw him land on Pete's

little the worse for tom-cat gin, got out her butcher knife and poked it in the side of her husband, Ham Brice. At the Georgetown Hospital, Dr. Gannon had to take out a sec-

eau of Mines under the law and a record must be kept of all sales of explosives, giving the name of the purchaser, the amount purchased, the date and use to which it is intended to make of it. No enemy alien will be allowed to have in his possession any explosives.

An inspector of explosives will be appointed in each State, county and municipal police forces will be utilized in enforcing the law.

Explosive manufacturers, mine explosives manufacturers, operators, operators of quarries and explosives witness except Mary is dead. Pross.

Yet he had no hard feelings against record in his life. Over the country, at which plans were discussed to safely handle the sale of explications. This conference came as the result of the fact that many of the explosions that have happened lately are thought to have been caused by enemy sples.

On the stand Ham refused to say are thought to have been caused by enemy sples.

Pisan Special Meeting.

A special meeting is planned to be held in Washington sometime during the latter part of next November to take steps to remedy the country's witness except Mary is dead. Pross.

her back and run chances of a reput-tion of the offense.

As it happened that the only eye witness except Mary is dead, Prose-cutor Given had nothing else to do but to dismiss the case for want of

when explosion after explosion startied the country.

Capt. Turiney, in charge of New York's famous bomb squad, told of many instances of how easily explosives could be obtained, even after many disastrous explosions had taken place.

Plans were laid of the time Bill was helping the lady's husband to watch her, so testimony brought to ut. Both had a reason, they said. The lady roomed at the house where a sick man lies abed. Friends were laid to watch her, so testimony brought to ut. Both had a reason, they said. The lady roomed at the house where a sick man lies abed. Friends were laid to watch her, so testimony brought to watch her watch Someone suggested to Charlie that he get rid of the watchers. Alright, he would and he did.

he would and he did.

Bill got a black eye. We don't know what become of the husband. He was in court but where he got to when Bill had his light put out

sed plans for co-operation in tracing violators of the law.

Many of those who attended the conference left immediately afterwards for their homes.

Judge Pugh said he would have to do something to stop these blackeye parties and he fined Charlie a \$20 FIRST U. S. NITRATE

## OF POLICEMEN

Exemption Urged to Avert Threatened Epidemic

of Crime. The United States is facing a crisis in its various police departments.

A country-wide epidemic of crime is imminent if something is not done to remedy the stuation. The basic reason is said to be the ruling made by Congress that no

policeman will be exempt from the military conscriptive law.

A great shortage of policemen exists in America. The inability to enlist new men on the side of the law is baffling the heads of the police organizations of practically every

### large city. Want Police Exempt.

The exemption of all policemen from military service will be fervently urged by the executives of the country's police departments.

These facts were brought out yesterday afternoon in a conference between four representatives of the

tween four representatives of the large police departments of the country and Superintendent of Police of the District of Columbia, Maj. Raymond W. Pullman.

The meeting came as an after-session to the conference that Director Van H, Manning, of the Burcau of Mines, had yesterday with many delegates from Police Departments all over the country, at which plans were discussed to safely handle the sale of explisoves.

the lattler part of next November to take steps to remedy the country's depleted police forces. Those police experts who conferred with Maj. Pullman, yesterday were: W. H. Westbrook, deputy superin-tendent of the Chicago police depart-ment; Marshall Robert D. Carter, head

And The Watchers Watched.

Monday afternoon Bill Pennyfield was watching someone. Of course it is none of our business who Bill was watching. It was a lady, so we won't mention her name.

Bill was helping the lady's husband to watch her, so testimony brought Both had a reason, they said.

Both had a reason, they said be met with because of so many of the men going into the army.

Small Salaries Paid.

is a lack of protection in some cities because of the inability to get new policemen to fill the places of those who have been selected for army scrvice. The small salaries that are al-loted them do not attract new men, it was said.

It is feared that the situation will

grow worse as the National Army increases in size. It was believed by all present that the hazardous work performed by the police, aspecially during war times, is a sufficient argu-ment for their exemption.

### PLANT SITE CHOSEN

The War Department has selected Sheffield, la, as the site of the initial ammonia and nitric acid plants to be constructed by the government. The National Defense act appropriates \$20. 000,000 for the construction of such plants. Only a portion will be spent immediately. Sheffield is located on the Tennessee

CLEAN AS AN APRIL SHOWER

"After seeing 'Enlighten Thy Daughter' at the Park Theater, I have concluded that it should be called the greatest moral force the screen has ever shown. " "As a clarion call to careless mothers and fathers to shake themselves and get busy in the right direction, this picture casily takes the lead over the thousand-odd pictures I have seen. "IT SHOWS US THE DANGERS AND HOW TO TAKE CARE OF THEM.

"IVAN ABRAMSON'S PICTURE GETS AFTER THE HU-MAN WOLF IN TERRIBLE FASHION AND HANDLES HIM JUST AS HE DESERVES TO BE HANDLED."—REV. THOMAS B. GREGORY. **NEW YORK EVENING SUN:** 

"Enlighten Thy Daughter' is carried to success by the acting. Some powerful and convincing drama results." NEW YORK EVENING TELEGRAM:

"Many excellent comments have been occasioned by the superior cast of players which characterizes the picture 'Enlighten Thy Daughter,' now attracting great crowds at the Park Theater."

**NEW YORK TRIBUNE:** "The most calloused movie fan could not fall to be impressed with Enlighten Thy Daughter," which began a run at the Park Theater yesterday.
"Zena Keefe, by her acting, carries off the honors of a cast which is of the all-star brand.
"No longer is it necessary for mothers to teach their daughters. Just send them to see this picture."

**NEW YORK MORNING TELEGRAPH:** 

"ENIGHTEN THY Daughter," at the Park Theater, is indeed well handled.
"It is one of the best of the year.
"The author has bandled a delicate subject in such a manner as to offend no one.
"ENLIGHTEN THY DAUGHTER is a well-constructed purpose play dealing with parents and children. It is not in the least salacious, but handles a very delicate subject with greent adroitness. The domestic life of four families is depicted in a most interesting manner. The author is to be congratulated.
